Begin your guided tour of Geneva in the heart of the International District, home to some of the world's leading humanitarian and peace organizations. As you drive through the area, you'll pass the Palais des Nations, the European headquarters of the United Nations, originally built for the League of Nations, and enjoy a 5-minute photo stop at the iconic Broken Chair. You will also see other major institutions, including the WHO, ILO, WTO, WMO, and the ICRC, founded in Geneva in 1863. Continue along the shores of Lake Geneva and admire the majestic Jet d'Eau and the stunning Flower Clock, symbols of Geneva's elegance. Depending on the season, explore the Old Town by mini-train or on a guided walking tour. Pass through the banking district, admire the impressive St. Peter's Cathedral, stroll through the lively Place du Bourg-de-Four, visit the fascinating Maison Tavel, and take a photo of the Reformation Wall in Parc des Bastions, before wandering the city's elegant shopping streets. After exploring Geneva, enjoy a comfortable transfer to Yvoire, a picturesque village on the French shores of Lake Geneva. You will have free time to wander its flower-filled streets, admire its medieval architecture, and visit the Jardin des Cinq Sens, a beautiful sensory garden set within a castle.
