This is a unique place to be full of surprises, snow awaits you all year round! For the bravest, cross the famous Peak Walk, the one and only suspension bridge in the world that connects two peaks, an experience you won't soon forget. Enjoy the fun park or sleds are at your disposal to enjoy the joys of sliding! Many walks are possible, surrounded by the most famous peaks, you can see Mont Blanc, Marterhorn or the Jungfrau to name but a few.
